## RECYCLING TIPS

You can help ensure that more materials are recycled by following these steps:

- 1 Place your yellow bag between your light blue box and your blue box, not across the top of them. Allow 1m (3 ft) between your recycling containers and your green bin and garbage bin.
- 2 Empty and rinse containers.
- 3 Contain shredded paper inside a paper bag or box before adding to your recycling.
- 4 Flatten cardboard, remove plastic wrap from cardboard flats. Staples and tape okay. If too large for recycling container, flatten and cut to no larger than 30" wide (78 cm) by 30" tall (78 cm). Stack neatly and securely place beside or between recycling containers.
