INFILL DEVELOPMENT PUBLIC INFORMATION MEETING

THURSDAY, APRIL 5 at 7:00 P.M.

Council Chambers at 2697 Sunnyside Road, Anmore BC

VILLAGE OF ANMORE INVITES MEMBERS OF THE PUBLIC TO ATTEND A PUBLIC INFORMATION MEETING REGARDING INFILL DEVELOPMENT.

**THURSDAY, APRIL 5, 2018 AT 7:00 P.M.
COUNCIL CHAMBERS AT VILLAGE HALL 2697 SUNNYSIDE ROAD, ANMORE BC**

Council is considering allowing infill development and would like to hear from the public on what is being proposed. Infill development, as currently proposed, would permit the redevelopment of some existing properties in the Village at a density higher than currently permitted in the Official Community Plan (OCP) provided the properties meet certain criteria. To enable, this and to ensure that the semi-rural character of Anmore is protected, an OCP amendment will be required and accompanying policy to guide infill development is also being proposed.

For further details and information about what is being considered and an analysis of what the impacts might be, please go to the Village's website at: www.anmore.com and follow the links (Business & Development > Planning Department) to view the Infill Development page or view directly at: http://anmore.com/business-development/planning_department/
