**(a) Honouring Michael Rosen**

Mayor Anderson spoke about the late-Michael Rosen, former long-term Village Planner and discussed how to best honour him. She described how a priority to Michael was trail connections and that perhaps a trail be dedicated to him.

Councillor Palmer Isaak felt that including a dedication within the new middle school would be an idea due to Mr. Rosen's pivotal role in creating and bringing the school forward.

Council discussed and ask staff to research whether or not the roadway into the new middle school can be named after Michael Rosen; as well as research the work needed to clear the trail that leads to the park off of Dogwood Drive.

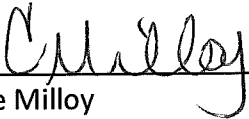

Council also asked Tim Harris to contact Christie Gibson of Envirowest to confirm if the railing around the pond is needed and provide a quote to council on the estimated costs of clearing the trail to bring back to the March 11, 2014 regular council meeting.

Staff to contact Michael Rosen's family to confirm an available time for the dedication.
