

UPLANDS DRIVE AND HERON WAY

TEMPORARY WATER SERVICE INTERRUPTION

**THURSDAY, MARCH 14, 2019
FROM 7:30AM TO 4:00PM**

Residents can expect a water service interruption due to a water main leak detected in the area that requires repair. Our Public Works Department and contractor will do their best to cause the least amount of disruption as possible.

Flaggers will direct vehicles to detour at the bottom of Heron Way via an emergency access road through Countryside Village.

Thank you for your patience during this disruption of water service.

Luke Guerin

Operations Superintendent
