

26 WEEKS TO FAMILY EMERGENCY PREPAREDNESS

WEEK #2

THREE-DAY SUPPLY OF WATER

- ➡ Stock your kit with *at least* a **three-day supply of water** for every family member and don't forget to include water for pets.
- ➡ It is best to plan for four litres of water per person, per day—two for drinking and two for food preparation and hygiene.
- ➡ You might consider the addition of **water purification tablets**.
