Farsi	دی‌باش داشته را ترجمه‌نی لطفاً، مهم اطلاعات
Polish	Ważne informacje, proszę, przetłumacz to
Russian	Важная информация, пожалуйста, переведите это

Most people catch indoor leaks pretty quickly, but outdoor leaks can be harder to find, especially with an **IRRIGATION SYSTEM!**

With irrigation systems, leaking and electrical connection problems may occur and it is important that homeowners have a plumber perform periodic irrigation system checks.

Are your water bills too high? Have you replaced your fixtures and appliances with water efficient ones and reduced your use of water to little avail? Or are you already aware that you might have leaks, but don't know where they are? Find out ways to conserve water at [www.welovewater.ca](http://www.welovewater.ca)

Each year, hundreds of cubic meters of water are wasted due to leaks within irrigation systems, pool lines and service connections. For more information about how to check for water leaks, visit: <http://anmore.com/wp-content/uploads/2017/05/How-to-Check-for-Water-Leaks.pdf>

# VILLAGE OF ANMORE

## PLEASE PICK UP AFTER YOUR PET

It doesn't take much to remember that we have pets in our community. In fact, if you don't watch your step, you are liable to step in one such reminder!

When walking your dog in our community, remember that it should be leashed. Also, it is important to remember to immediately clean up after your pet. **Take along a baggie with you to pick up waste with and then dispose of it properly.**

By taking a few simple steps to clean up after your pet, you can contribute not only to the beautification of our community, but also towards the elimination of one of the most irritating nuisances in our community.

**Thank you for your cooperation!**
