

The annual Anmore community event **Halloween Fireworks** will take place on **Thursday, October 31, 2019** from **7-9 pm**.

During this time, there will be two road closures in effect:

1. **Ravenswood Neighborhood**: The access to Ravenswood Drive and Magnolia Way via Spirit Park will be closed. We ask that those residents enter and exit their properties via Fern Drive and Hemlock Drive. Access to Ma Murray Lane will be restricted to residents only.
2. **Byrch Wynde Neighborhood**: Due to the high concentration of trick or treaters in the Byrch Wynde neighborhood, there will be an additional road closure at Alder Way and Sunnyside Rd from 6-8 pm. Access will be restricted to residents only.

The parking lot at the Village Hall will not be accessible. **Event parking** will be available at **Anmore Elementary school**. Please consider carpooling or walking to the event.

We apologise for any inconvenience this may cause and thank you for your patience. We look forward to seeing you at the event.
