Date Established			

1. The film company will be required to obtain a Village of Anmore annual Business Licence in the amount of \$400.00.
2. In addition, a Filming Permit is required in order to film within the Municipality. The cost of the Filming Permit is \$200.00 per day to a maximum of \$1000.00. The Filming Permit and corresponding fee is applied to each separate production.
3. Village of Anmore citizens shall not be unduly inconvenienced by prolonged loss of access to public areas or roadways, or be restricted parking fronting residents' homes.
4. The Municipality may require that the film company provide in writing, notification to all affected residents and describe filming activities taking place.
5. The Municipality requires at least \$3 million public liability and property damage insurance. The film company shall provide an insurance certificate naming the Municipality as an additional insured and containing a cross liability clause. The insurance certificate must be filed prior to the filming permit being issued and it must be acceptable to the Municipality.
6. The film company may be required to appear before the Municipal Council to explain unusual filming requests prior to being issued a Filming Permit.

APPROVED by the Municipal Council on the 27th day of October, 1997.
