Effective Date		Approved by:	
Date Amended		Resolution No.	
Date Established			

POLICY STATEMENT

Open Ditch Policy – Ditching shall be provided adjacent to both sides of all roadways in accordance with the Works and Services Bylaw.

POLICY DETAILS

In an effort to retain the rural appearance of the Village, the maximum length of culvert that may be installed for a ditch enclosure to permit construction of a driveway access, pathway, storm sewer or related work shall be 8.5 metres long or as approved by Council. The maximum length shall take into account existing culvert lengths and ensure that spacing between culverts is a minimum of 6 metres.

APPROVED by the Municipal Council on the 27th day of April , 2004
