

## Sasamat Fire Department

**To:** Distribution  
**From:** Jay Sharpe, Fire Chief  
**CC:** Anmore & Belcarra Fire Stations  
**Date:** July 24rd<sup>th</sup>, 2024  
**Re:** HIGH Fire Danger rating RESTRICTIONS

---

### **HIGH Fire Danger Rating, Effective July 26<sup>th</sup>, 2024 Additional Restrictions**

The following ORDER will be in place effective Friday July 26<sup>th</sup>, 2024 at 05:00 am.

**Cease all High Risk Activities between 1:00 PM and sunset each day. Maintain a two hour fire watch after work has finished.**

Exceptions can be made with an approved Fire Safety Plan in place.

#### **Restrictions on High Risk Activities (Machinery & Commercial Operations)**

High-risk activities include but are not limited to any of the following activities carried out in a wooded area or near a wooded area:

- operating a power saw, electric or gas;
- mechanical tree felling, woody debris piling or tree processing, including delimiting;
- welding;
- portable wood chipping, milling, processing or manufacturing;
- skidding logs
- Use of heavy machinery

Other high-risk activities listed include: mechanical brushing, disk trenching, use of explosives, using spark or fire producing tools, fireworks, grinding, mechanical land clearing and maintaining right of ways (including grass mowing) or any other activity that has the potential to cause excessive heat or sparks.
