Hi Josh,

We received the referral for the OCP Amendment for the Anmore South area from our colleagues at CMBC. Thank you for the opportunity to provide input.

We typically do an internal distribution to gather feedback relevant to TransLink's interests. However, with several team members away over the next few weeks, completing a thorough review within the current timeframe may be challenging. Given this, we'd appreciate any additional time you can provide for our review. Please let us know if an extension is possible and what flexibility might be available.

Additionally, for any future plans and referrals, please ensure to send them to PartnerPlans@Translink.ca (cc'ed in this email) to coordinate and provide our review.

Looking forward to your response.

Best,

JuYoung Kim (*she/her*)
