Hi Josh,

Thank you for sending the referral letter, I want to acknowledge receipt of the referral for OCP Amendment Bylaw No. 686.2023 for Anmore South. I would also like to confirm that due to this referral being part of a development application, it is not within scope for our Healthy Built Environment Program at the Fraser Health Authority.

Our team mainly takes on projects such as overarching OCP updates and city strategies with a public policy focus, and we do not currently provide feedback for projects involving rezoning and development applications.

Thank you for sending the information and please feel free to let me know of any questions.

Best regards,
Suzanna
