

# PARK EXPANSION PROJECT: Dr. Hal Weinberg Spirit Park

Dr. Hal Weinberg Spirit Park is Anmore's primary outdoor community gathering space and we are working on a plan to expand the park to include the Village's empty lot on Ravenswood and incorporate this outdoor recreation area with the Anmore Community Hub.

An expanded park concept map has been developed, which notes design elements that are already complete based on engineering and technical analysis, such as the road alignment and parking area design and access points. We have also confirmed amenities such as the gazebo and plaza.

The suggested areas and amenities shown on the concept plan are just ideas for consideration at this point. We are inviting our community to share your input on a future vision for this park. This is just phase one of engagement, and input from the community will be used along with technical assessments and budget considerations to help plan the expanded park.

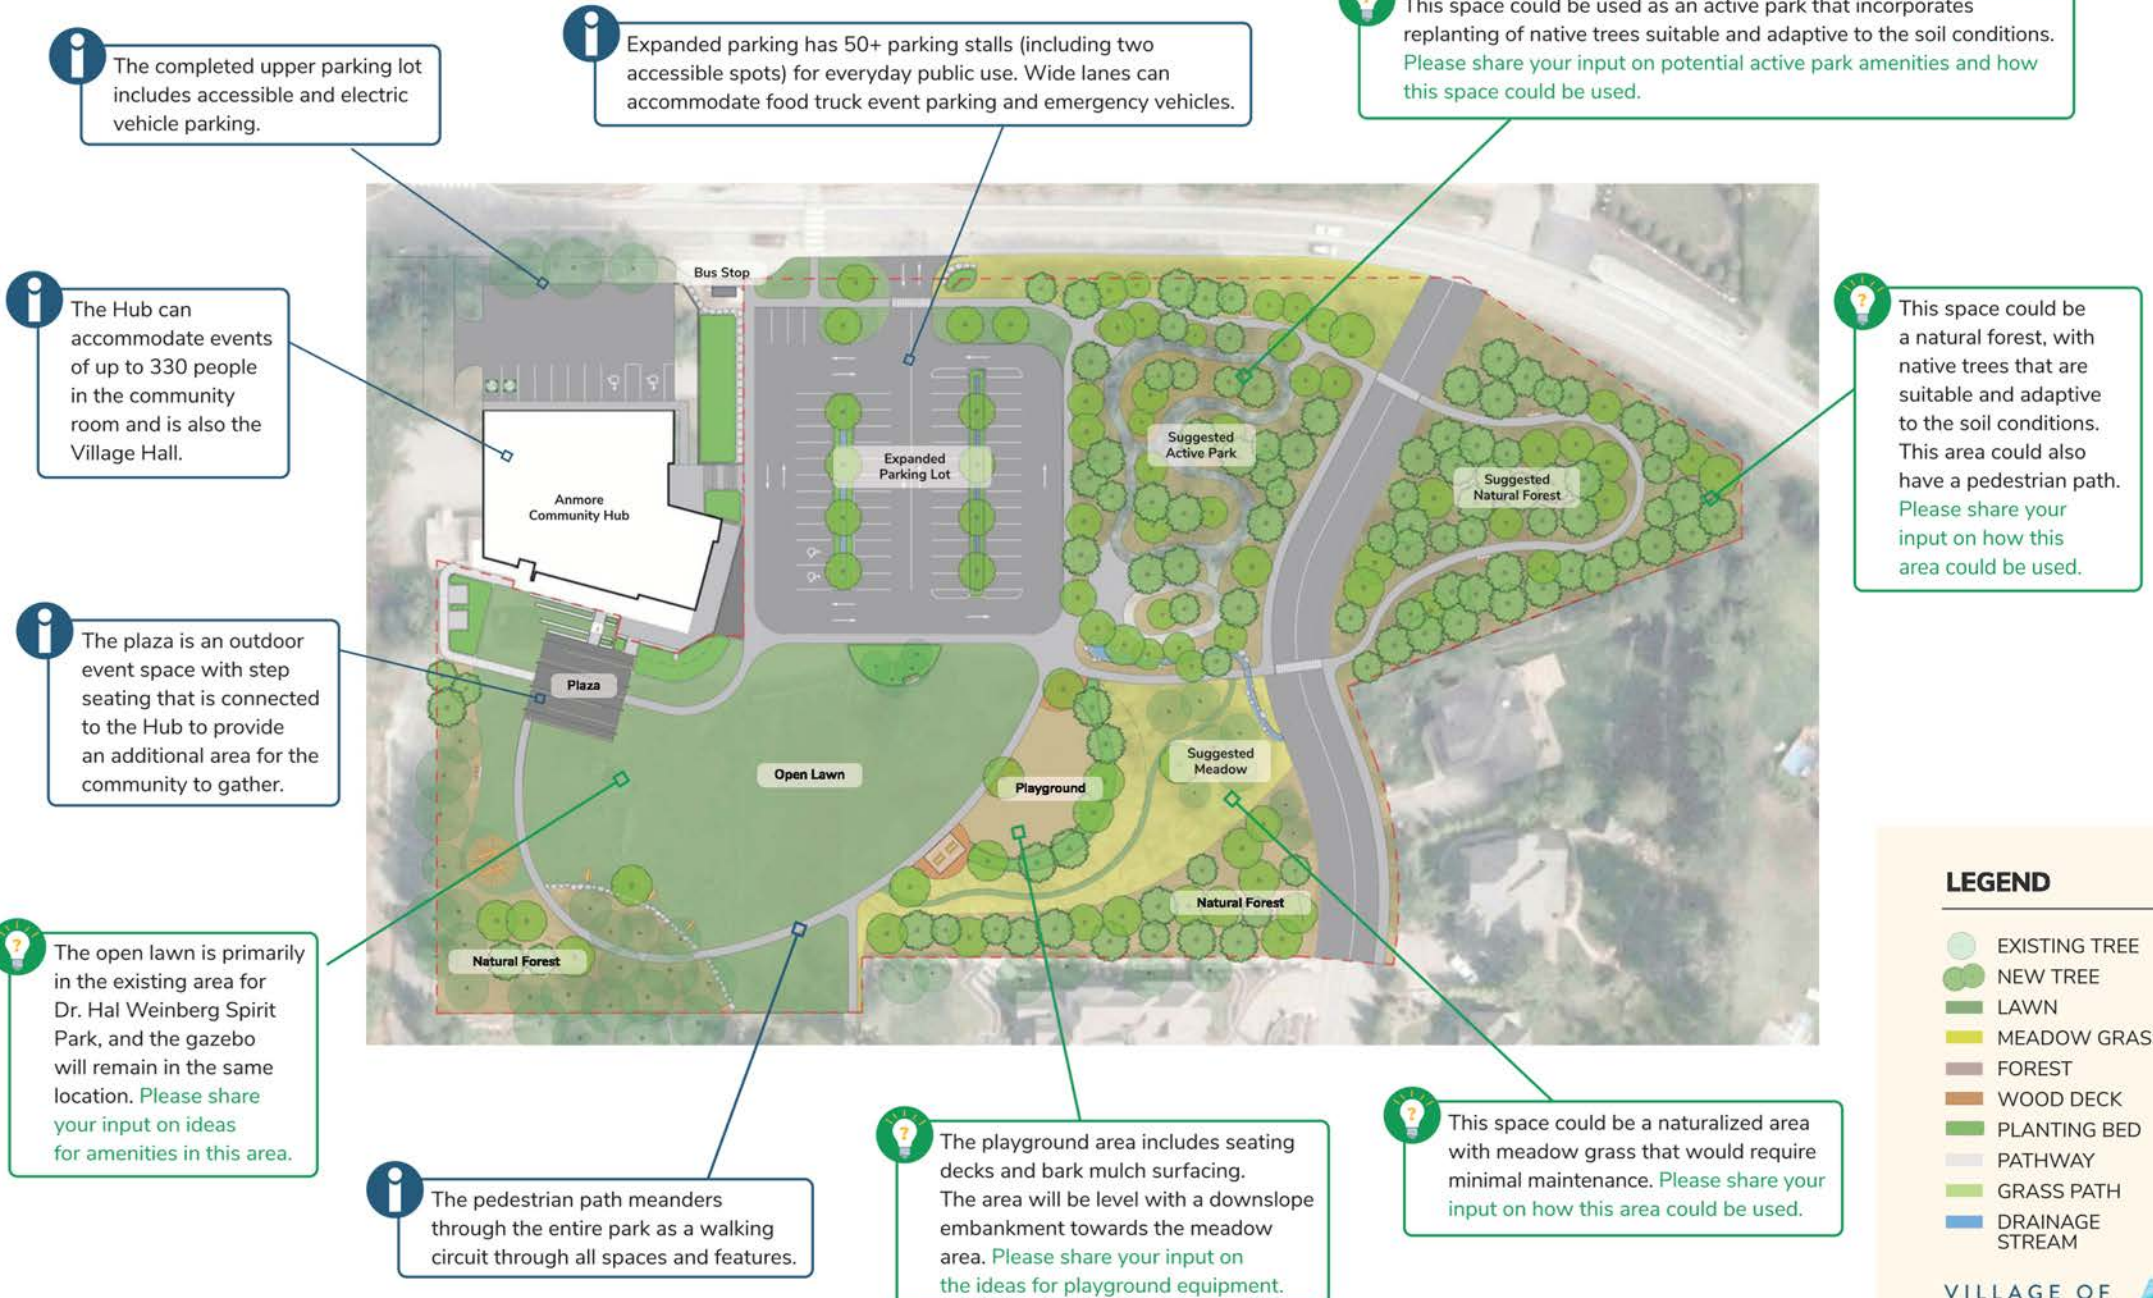

The following renderings illustrate a few conceptual ideas of what the park could become.

Please note, these renderings are provided as concepts only – not final designs.

# PARK EXPANSION DRAFT CONCEPT PLAN

The concept plan includes both confirmed design elements and suggested ideas for how the expanded park could be designed.

# SHARING IDEAS FOR AMENITIES AND PARK USE

Place a sticker under the ideas you like and share other ideas on post-it notes.

## Open Lawn Ideas:

Disk golf

Covered picnic area

Pop up activities

Outdoor amphitheatre

Keep open lawn as is

Ping pong table

Cornhole games

Other

## Natural Forest Ideas:

Pedestrian path

No pedestrian path

Benches along pedestrian path

Change natural forest to active park

Other

# SHARING IDEAS FOR AMENITIES AND PARK USE

Place a sticker under the ideas you like and share other ideas on post-it notes.

## Active Park Ideas:

Pump track

Jr. pump track

Walk/run circuit

Outdoor circuit gym

Change from active park to natural forest

Other

## Playground Equipment:

Nature playground

Colourful playground

Accessible equipment options

Interactive play equipment

Themed playground

Other

## Suggested Meadow:

Keep it as a natural meadow

Add a garden area

Add a jr. pump track

Other
