Hi Josh,

Thank you for the opportunity to review Anmore's Official Community Plan Amendment. We have found the Provincial legislation-related and housekeeping updates to align with regional transportation policies and guidelines.

While we understand the amendment primarily concerns housing policies to comply with the Local Government Act, we would like to take this opportunity to offer input related to transportation where appropriate. We would appreciate your consideration of these suggestions for the OCP update and your response as outlined in the comments form.

Thank you, and wishing you a happy new year!

Best,

JuYoung Kim (*she/her*)
