Re: Open Fire Burning Ban

Open Burning Ban, Effective July 16, 2026

Based on the Fire Hazard Synopsys and the long term forecast from Metro Vancouver Fire Weather Information an Open Fire Ban will be put into effect at Noon on Thursday July 16th, 2026. This will align with the Coastal Fire Centres ban on open burning for all non-municipal areas of the southern coast of the Province.

All Open Fires including Camp Fires and outdoor wood burning appliance fires will be prohibited within the Village of Anmore and the Village of Belcarra.

No open fires permitted.

Jay Sharpe

Fire Chief,

Sasamat Fire Department
